

# Teacher Observation of Test-Taking Behaviors

Student Name: \_\_\_\_\_

Ship Captain: \_\_\_\_\_

***Please put a checkmark in each box if you observed the behavior***

		<i>Day 1</i>	<i>Day 2</i>	<i>Day 3</i>	<i>Day 4</i>	<i>Day 5</i>
1	Student was present for testing.					
2	Student remained awake and alert during testing.					
3	Student appeared to take testing seriously and did not play or distract others in any way.					
4	Student remained focused on his own work rather than watching others' responses.					
5	Student listened and followed along as I read directions and/or test items.					
6	Student remained focused or re-directed back to task on his or her own.					
7	To enhance understanding, student wrote, drew or underlined in the test and booklet used scratch paper as necessary.					
8	Student appeared to appropriately manage testing time not finishing too early or taking too long.					
9	Student asked me to re-read or clarify when confused.					
10	Student made sure all questions had been answered and checked work after finishing.
